About This Document

This document describes the components of the Cisco WebEx Meetings Server documentation set for Release 1.5.

Documented components include:

- Cisco WebEx Meetings Server
- Cisco WebEx Meetings Server Productivity Tools
- Cisco WebEx Meetings Server Mobile Integration
- Cisco WebEx Meetings Server Outlook Integration

General Information

Release Notes

Lists or describes requirements, support, functionality, limitations, restrictions and documentation updates.

This document is available at:

http://www.cisco.com/en/US/partner/products/ps12732/prod_release_notes_list.html

Requirements and Compatibility Information

System Requirements for Cisco WebEx Meetings Server

Describes the requirements for Cisco WebEx Meetings Server Release 1.5, including network requirements, hardware requirements and software requirements. Also describes compatibility information between the Cisco Unified WebEx Meetings Server and audio endpoints.

This document is available at:

http://www.cisco.com/en/US/products/ps12732/prod_installation_guides_list.html

Design

Design Guides

Planning Guide for Cisco WebEx Meetings Server

Includes a high-level description of the components of your system, supported system sizes, networking and bandwidth requirements, and best practices for deploying your system. We also provide information on configuring CUCM, mass deployment of user meeting applications, license management, and SAML SSO configuration.

This document is available at:

http://www.cisco.com/en/US/products/ps12732/products_installation_and_configuration_guides_list.html

Install, Upgrade and Configure

Installation and Configuration Guides

The *Cisco WebEx Meetings Server Administration Guide* describes the Installation topics listed below:

- Using VMware vSphere With Your System
- Installing Your System Using Automatic Deployment
- Installing Your System Using Manual Deployment
- Adding a High Availability System
- Expanding Your System to a Larger System Size

The *Cisco WebEx Meetings Server Administration Guide* describes the Configuration topics listed below:

- Using Your Dashboard
- Managing Users
- Configuring Your System
- Configuring Settings
- Generating and Viewing Reports
- Using the Support Features

The *Cisco WebEx Meetings Server Administration Guide* is available at:

http://www.cisco.com/en/US/products/ps12732/prod_installation_guides_list.html.

Maintain and Operate

Maintenance and Operation Guides

Cisco WebEx Meetings Server Administration Guide

Includes the installation, configuration and maintenance information in a single PDF.

This PDF version is available at:

http://www.cisco.com/en/US/docs/collaboration/CWMS/1_5/Administration_Guide.pdf

End-User Guides

User Guides for Cisco WebEx Meetings Server

There are two end-user guides: The *Cisco WebEx Meetings Server User Guide* and the *Cisco WebEx Meetings Server Frequently Asked Questions*.

The *Cisco WebEx Meetings Server User Guide* describes the topics listed below:

- User Help
- Productivity Tools Help
- Outlook Integration Help

The *Cisco WebEx Meetings Server User Guide* is available at

http://www.cisco.com/en/US/docs/collaboration/CWMS/1_5/User_Guide.html

The *Cisco WebEx Meetings Server Frequently Asked Questions* is available at

http://www.cisco.com/en/US/docs/collaboration/CWMS/1_5/FAQs.html

Troubleshooting

Troubleshooting Guide

The *Cisco WebEx Meetings Server Troubleshooting Guide* provides troubleshooting information:

This guide is available at the following location:

http://www.cisco.com/en/US/products/ps12732/prod_troubleshooting_guides_list.html.
