# Cisco WebEx Meetings Server Documentation Roadmap

## About This Document

This document describes the components of the Cisco WebEx Meetings Server documentation set for Release 2.0.

Documented components include:

- Cisco WebEx Meetings Server
- Cisco WebEx Meetings Server Productivity Tools
- Cisco WebEx Meetings Server Mobile Integration
- Cisco WebEx Meetings Server Outlook Integration

## Release and General Information

### Release Notes for Cisco WebEx Meetings Server

Lists or describes requirements, support, functionality, limitations, restrictions and documentation updates.

This document is available at: [http://www.cisco.com/en/US/products/ps12732/prod\\_release\\_notes\\_list.html](http://www.cisco.com/en/US/products/ps12732/prod_release_notes_list.html)

## Install and Upgrade

### Cisco WebEx Meetings Server System Requirements

Describes the requirements for this release of Cisco WebEx Meetings Server, including network requirements, hardware requirements and software requirements. Also describes compatibility information between the Cisco WebEx Meetings Server and audio endpoints.

This document is available at:

[http://www.cisco.com/en/US/products/ps12732/prod\\_installation\\_guides\\_list.html](http://www.cisco.com/en/US/products/ps12732/prod_installation_guides_list.html)

### Cisco WebEx Meetings Server Administration Guide

This document describes the following installation topics:

- Using VMware vSphere With Your System
- Installing Your System Using Automatic Deployment
- Installing Your System Using Manual Deployment
- Adding a High Availability System
- Expanding Your System to a Larger System Size
- Updating the System

- Upgrading the System

This document also describes the following configuration topics:

- Using Your Dashboard
- Managing Users
- Configuring Your System
- Configuring Settings
- Generating and Viewing Reports
- Using the Support Features

This document is available at:

[http://www.cisco.com/en/US/products/ps12732/prod\\_installation\\_guides\\_list.html](http://www.cisco.com/en/US/products/ps12732/prod_installation_guides_list.html)

## Configure

### **Cisco WebEx Meetings Server Planning Guide**

Provides a high-level description of the components of your system, supported system sizes, networking and bandwidth requirements, and best practices for deploying your system. We also provide information on configuring CUCM, mass deployment of user meeting applications, license management, and SAML SSO configuration.

This document is available at:

[http://www.cisco.com/en/US/products/ps12732/products\\_installation\\_and\\_configuration\\_guides\\_list.html](http://www.cisco.com/en/US/products/ps12732/products_installation_and_configuration_guides_list.html)

### **Cisco WebEx Meetings Server Administration Guide**

This document describes both installation and configuration topics. For more information, see [Install and Upgrade](#), on page 2.

This document is available at:

[http://www.cisco.com/en/US/products/ps12732/prod\\_installation\\_guides\\_list.html](http://www.cisco.com/en/US/products/ps12732/prod_installation_guides_list.html)

## Maintain and Operate

### **Cisco WebEx Meetings Server User Guide**

Describes how to use the many features of this release of Cisco WebEx Meetings Server from both the web and Productivity Tools integrations. Tasks include:

- How to manage your meetings, including scheduling, editing, and canceling meetings
- How to join a meeting from the web, Outlook integration, or WebEx Assistant
- How to manage your meeting recordings
- How to use the features within the meeting client
- How to use keyboard shortcuts

This document is available at:

[http://www.cisco.com/en/US/products/ps12732/products\\_user\\_guide\\_list.html](http://www.cisco.com/en/US/products/ps12732/products_user_guide_list.html)

### **Cisco WebEx Meetings Server FAQs**

Answers frequently asked questions regarding the following topics:

- Application and document sharing
- Hosting, joining, and setting up meetings
- Cisco WebEx for mobile devices
- Downloading Cisco WebEx applications
- How to enable Java and JavaScript
- End-user system requirements

This document is available at:

[http://www.cisco.com/en/US/products/ps12732/products\\_user\\_guide\\_list.html](http://www.cisco.com/en/US/products/ps12732/products_user_guide_list.html)

## **Troubleshoot and Alerts**

### **Cisco WebEx Meetings Server Troubleshooting Guide**

Provides troubleshooting information for system administrators.

This document is available at:

[http://www.cisco.com/en/US/products/ps12732/prod\\_troubleshooting\\_guides\\_list.html](http://www.cisco.com/en/US/products/ps12732/prod_troubleshooting_guides_list.html)
