**Means *reader be warned*. In this situation, you might perform an action that could result in bodily injury.**

## Obtaining Documentation and Submitting a Service Request

For information on obtaining documentation, submitting a service request, and gathering additional information, see the monthly *What's New in Cisco Product Documentation*, which also lists all new and revised Cisco technical documentation, at:

<http://www.cisco.com/en/US/docs/general/whatsnew/whatsnew.html>

Subscribe to the *What's New in Cisco Product Documentation* as a Really Simple Syndication (RSS) feed and set content to be delivered directly to your desktop using a reader application. The RSS feeds are a free service and Cisco currently supports RSS version 2.0.

## Display Issues

---

This chapter contains troubleshooting information pertaining to Cisco Configuration Professional. It contains the following sections:

- [GUI Display Problem in Internet Explorer 10, page 1-1](#)
- [Cisco Configuration Professional Display Issue, page 1-2](#)

### Note

This is not an administration manual. For comprehensive information about administering Cisco Configuration Professional, see the [Cisco Configuration Professional User Guide](#).

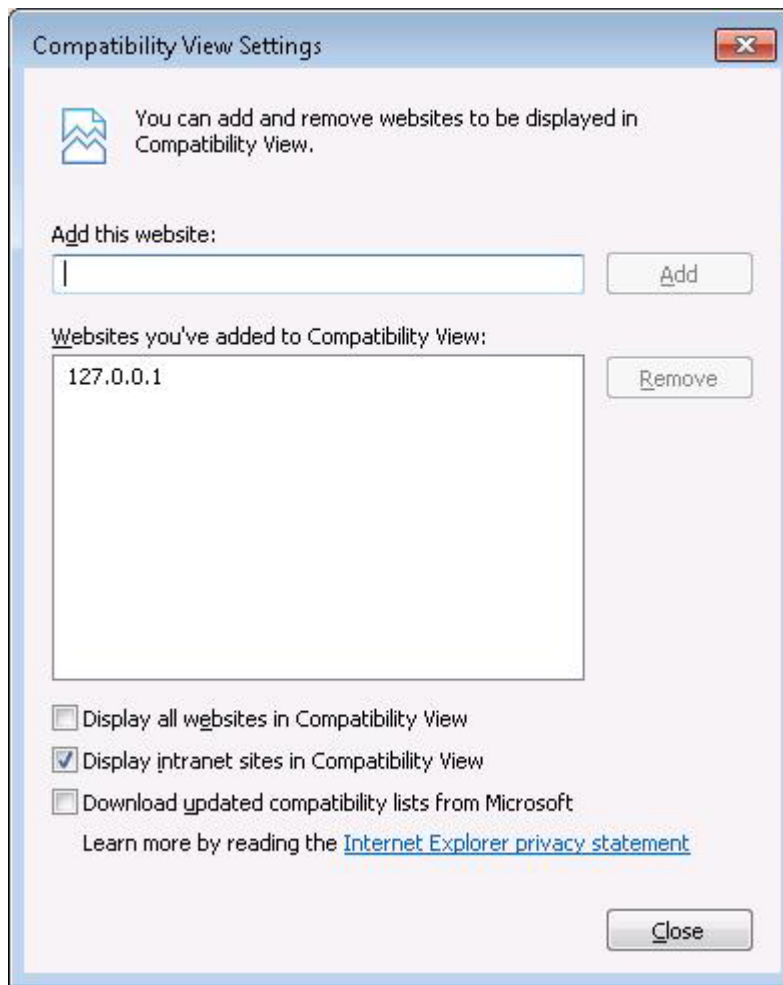

## GUI Display Problem in Internet Explorer 10

**Problem** Cisco Configuration Professional does not display the full screen.

**Possible Cause** This problem may occur when you use Internet Explorer 10.

**Solution** To resolve this problem, perform these steps:

- 
- Step 1** Open the Internet Explorer browser and press the **ALT** key.
  - Step 2** From the Tools drop-down menu, choose **Compatibility View Settings**.
  - Step 3** Click **Add** and enter the IP address **127.0.0.1** to add cisco configuration professional website, as shown in [Figure 1](#).

**Figure 1** *Compatibility View Settings*

**Step 4** Click **Close** and relaunch Cisco Configuration Professional.

---

## Cisco Configuration Professional Display Issue

**Problem** Some parts of the Cisco Configuration Professional screens are not visible.

**Possible Cause** This problem may occur when the Internet Explorer zoom level and the Windows display level are not set to 100%.

**Solution** To resolve this problem, perform these steps:

---

**Step 1** Set the Internet Explorer zoom level to 100% if it is not at 100%.

**Step 2** Set the Windows display level to 100%.

---
