SUPPLEMENTAL LICENSE AGREEMENT FOR CISCO SYSTEMS NETWORK MANAGEMENT SOFTWARE: CISCO MULTICAST MANAGER

IMPORTANT READ CAREFULLY: This Supplemental License Agreement (“SLA”) contains additional limitations on the license to the Software provided to Customer under the End User License Agreement between Customer and Cisco. Capitalized terms used in this SLA and not otherwise defined herein shall have the meanings assigned to them in the End User License Agreement. To the extent that there is a conflict among any of these terms and conditions applicable to the Software, the terms and conditions in this SLA shall take precedence.

By installing, downloading, accessing or otherwise using the Software, Customer agrees to be bound by the terms of this SLA. If Customer does not agree to the terms of this SLA, Customer may not install, download, or otherwise use the Software. When used below, the term “server” refers to central processor unit.

ADDITIONAL LICENSE RESTRICTIONS

Non-Restricted Device Version. Customer may install and run the Software on a single server to manage Cisco devices concurrently across all components provided in this solution. Please refer to the component installation guide for further device definition. Device restrictions are enforced by license registration. The deployment of the non-restricted device version is defined by the Installation and Use section in this document.

Installation and Use

The Software components are provided to Customer solely to install, update, supplement, or replace existing functionality of the applicable Network Management Software product. Some license terms such as device count and proof of preexisting licenses may be electronically enforced. Customer may install and use the following Software components:

Cisco Multicast Manager (CMM): May be installed on one (1) server in Customer's network management environment.

Reproduction and Distribution

Customer may not reproduce nor distribute software.

DESCRIPTION OF OTHER RIGHTS AND LIMITATIONS

Please refer to the Cisco Systems, Inc. End User License Agreement.
