

Help Menu Tasks

This chapter describes the Help menu tasks, and contains these sections:

- [Launching Online Help, page 11-1](#)
- [Launching the Support Website, page 11-1](#)
- [Viewing the Element Manager Status Legend, page 11-2](#)

Note

The tasks under the Help menu provide Element Manager resources and Support resources. For context-sensitive online help, click the **Help** button in any Element Manager window.

Launching Online Help

To launch the online help, click the **Help** menu and choose **Contents**. Element Manager online help launches.

Launching the Support Website

To launch the support Web site, click the **Help** menu and choose **Online Support**. The support Web site launches.

Viewing the Element Manager Status Legend

To view the Element Manager status legend, click the **Help** menu and choose **Legend**. The Element Manager legend appears.
