

Preface

The *Cisco Compliance Solution for PCI DSS 2.0 Design and Implementation Guide* is printed in two (2) volumes.

Volume 1 consists of the following chapters: Solution Overview, PCI and the Solution Framework, Solution Architecture, Solution Implementation, Component Assessment, and Summary. Volume 1 also contains the following appendices: Bill of Material, Cisco Products and Software Versions, Verizon Business Reference Architecture Report—Cisco PCI Solution, and the Art of Compliance.

Volume 2 provides the complete detailed configuration of the solution.
