Cisco IP Phone Messenger enables you to send and receive instant messages from users who have a valid user ID or extension number within your organization.

## **Displaying Messages**

Display	On the Phone	From the User Options Web Pages
Incoming messages	If you are logged in and available, incoming messages are automatically displayed on your phone screen.	Not applicable
All received messages	<ul> <li>You can review received (un-deleted) messages. Your system administrator determines the maximum number of received messages that Cisco IP Phone Messenger stores for you.</li> <li>1. Choose  &gt; Phone Messenger &gt; Messages.</li> </ul>	Not applicable
	2. Press PgDn to display additional contacts, and press PgUp to display previous contacts.	
Message details	You can use this option to see more information about the message (such as the complete message and timestamp), to delete individual messages, and to add the message sender to your contact list.	Not applicable
	1. Choose S > Phone Messenger > Messages.	
	<b>2.</b> Use the Navigation button to scroll to select a message.	
	3. Press Details.	

You can customize how you want to display messages on Cisco IP Phone Messenger:

Display	On the Phone	From the User Options Web Pages
Protected messages	For increased privacy, you can require your PIN to be entered to access your message list.	For increased privacy, you can require your PIN to be entered to access your message list.
	1. Choose Settings. > Phone Messenger	1. Choose User Options > Preferences.
	2. Use the Navigation buttons to scroll to select PIN protection.	2. From the PIN Protected field, choose:
	<ul> <li>3. Scroll to select:</li> <li>On—to require a PIN to view messages</li> <li>Off—to disable PIN protection</li> <li>4. Press Select.</li> <li>5. Choose S &gt; Phone Messenger &gt; Messages.</li> </ul>	<ul> <li>On—to require a PIN to view messages</li> <li>Off—to disable PIN protection</li> <li>Click Save.</li> <li>Choose S &gt; Phone Messenger &gt; Messages.</li> </ul>
System messages	6. Enter your PIN and press Submit. Your system administrator can send you	Not applicable
	can review at a later time.	
	<ol> <li>Choose &gt; Phone Messenger</li> <li>System Messages.</li> </ol>	
	2. Use the Navigation buttons to scroll to select a specific message.	
	<b>3.</b> Press <b>Details</b> to display additional information.	

# **Handling Incoming Messages**

You can receive incoming messages from co-workers in your organization, even if they are not on your contact list. You can control how you are notified about incoming messages and if you are available to receive them:

When receiving a message	On the Phone	From the User Options Web Pages
Play an alert	<ul> <li>You can set your phone to ring when an incoming message arrives.</li> <li>1. Choose &gt; Phone Messenger &gt; Settings.</li> <li>2. Use the Navigation buttons to scroll to select Audible Alert.</li> <li>3. Scroll to select: <ul> <li>On—to enable the alert</li> <li>Off—to disable the alert</li> </ul> </li> <li>4. Press Select.</li> </ul>	<ul> <li>You can set your phone to ring when an incoming message arrives.</li> <li>1. Choose User Options &gt; Preferences.</li> <li>2. From the Audible Notification field, choose: <ul> <li>On—to enable the alert</li> <li>Off—to disable the alert</li> </ul> </li> <li>3. Click Save.</li> </ul>
Display message waiting indicator	The message waiting indicator on the handset flashes during an incoming message. You cannot configure this.	Not applicable
Prevent users from sending you messages	<ul> <li>You can make yourself unavailable so that other users cannot send you messages.</li> <li>1. Choose &gt; Phone Messenger &gt; Settings.</li> <li>2. Use the Navigation buttons to scroll to select Status.</li> <li>3. Choose any status except: <ul> <li>Available</li> <li>Busy but Interruptible</li> </ul> </li> <li>4. Press Select.</li> </ul>	Not applicable

### **Sending Messages**

You can send messages to any co-workers in your organization who are on your Contact list or respond to received messages from others who are not yet on your Contact list.

When sending or replying to a message, if your contact is available via phone, you can press **Dial** to call the contact rather than send an instant message.

#### **Before You Begin**

Refer to "Entering Text on the Phone" section on page 5 for tips on entering text.

Send a	On the Phone	From the User Options Web Pages
New message (pre-set)	<ul> <li>You can send a message from a list of pre-set (or "canned) responses. You can have a maximum of 25 pre-set messages. Your system administrator owns 10 of these, and you can create an additional 15 personal response messages. See the Creating New Personal Response Messages, page 19.</li> <li>1. Choose S &gt; Phone Messenger &gt; Contact.</li> </ul>	Not applicable
	<b>2.</b> Use the Navigation button to scroll to select a contact.	
	3. Press Details.	
	4. Press Msg.	
	5. Scroll to select one of the pre-set messages, and press Select.	
	6. Press OK or Exit.	

Send a	On the Phone	From the User Options Web Pages
New message (custom)	Your can use the phone's dial pad to enter a custom message.	Not applicable
	1. Choose S > Phone Messenger > Contact.	
	<b>2.</b> Use the Navigation button to scroll to select a contact.	
	3. Press Details.	
	4. Press Msg.	
	<b>5.</b> Press <b>Compose</b> and enter the text message.	
	6. Enter Press Send or Exit.	
	7. Press OK or Exit.	
Reply	You can respond to a received message.	Not applicable

	<b>2.</b> Use the Navigation button to scroll to select a received message.	
	3. Press Details.	
	4. Press Reply (if sender is on your Contact list) or Msg.	
	5. Press:	
	- Select—See New message (pre-set), page 15	
	- Compose—See New message (custom), page 16	

Send a	On the Phone	From the User Options Web Pages
Broadcast message	Not applicable	You can send a short message (maximum of 150 characters) to some or all contacts on your contact list.
		<ol> <li>Choose User Options &gt; Broadcast Messages</li> </ol>
		2. In Search Options, enter your search criteria.
		For example, to send a broadcast message to your entire contact list, choose User ID "is not empty" to display all contacts.
		<b>3.</b> Click the checkbox next to the contact's name you want to send the message. Or, click <b>Select All</b> .
		4. Enter your message in the Msg field.
		5. Click Broadcast.
		6. Click OK to accept or Cancel.

## **Deleting Messages**

You can delete messages that you no longer need. However, once you delete an instant message, there is no stored copy that you can use to restore the instant message. Make sure you do not need an instant message before you delete it.

Delete	On the Phone	From the User Options Web Pages
All messages	You can delete all received messages at the same time.	Not applicable
	1. Choose S > Phone Messenger > Messages.	
	2. Press Del All (you might have to press more to display this softkey).	
	<b>3</b> . Press <b>Yes</b> to delete all messages or <b>No</b> to cancel.	
Individual	You can delete a specific message.	Not applicable
messages	1. Choose S > Phone Messenger > Messages.	
	<b>2.</b> Use the Navigation button to scroll to select a message.	
	3. Press Details.	
	4. Press Delete to delete the message.	
	<b>5.</b> Press <b>OK</b> to return to the messages.	

### **Creating New Personal Response Messages**

You can create new pre-set personal response messages. These messages save you time in typing a custom text message each time you send a message. You can create up to 15 of these messages, and your system administrator can create an additional 10. Your personal response messages always display after the ones created by your system administrator.

То	On the Phone	From the User Options Web Pages
Create new personal response message	Not applicable	You can create up to 15 new personal response messages using a maximum of 255 characters each.
		<ol> <li>Choose User Options &gt; Response Messages.</li> </ol>
		2. Click Add New.
		<b>3.</b> Enter your message in the <b>Response</b> <b>Message</b> field.
		4. Click Save.
Display available personal response messages	You can display your currently available personal response messages.	You can display your currently available personal response messages.
	1. Choose S > Phone Messenger > Contact.	<ol> <li>Choose User Options &gt; Response Messages.</li> </ol>
	<b>2.</b> Use the Navigation button to scroll to select a contact.	All available messages appear.
	3. Press Details.	
	4. Press Msg.	
	The available personal messages appear at the bottom of the list.	
Re-order personal response messages	Not applicable	You can rearrange the order in which your personal response messages appear on the list.
		<ol> <li>Choose User Options &gt; Response Messages.</li> </ol>
		2. Click Up and Down to rearrange the order of your personal messages.

То	On the Phone	From the User Options Web Pages
Delete all personal response	Not applicable	You can delete all personal messages at once.
messages		<ol> <li>Choose User Options &gt; Response Messages.</li> </ol>
		2. Click Select All.
		3. Click Delete Selected.
		4. Click OK to accept or Cancel.
Delete a specific personal response	Not applicable	You can delete personal messages one at a time.
message		<ol> <li>Choose User Options &gt; Response Messages.</li> </ol>
		<b>2.</b> Click the checkbox next to the contact's name you want to delete.
		3. Click Delete Selected.
		4. Click OK to accept or Cancel.
