

Cisco Unified Presence Server Documentation Guide for Release 1.0(2)

This document lists and describes the documents that make up the Cisco Unified Presence Server suite of installation and configuration documents. It contains the following sections:

- [Cisco Unified Presence Server Documentation](#)
- [Related Product Documentation](#)

Note

This documentation guide represents the only printed document that ships with Cisco Unified Presence Server Release 1.0(2). Because all the available documentation is online, this document provides the online URLs.

Note

The following documents apply to Cisco Unified Presence Server Release 1.0(2). Not all of the documents were updated for this release, so you will notice that the document release numbers for some documents contain Release 1.0(1) in the titles. The following documents support Release 1.0(2).

Cisco Unified Presence Server Documentation

This section lists documents that are included in the Cisco Unified Presence Server software kit or are orderable through Manufacturing.

Tip

The documents in this section post to www.cisco.com and Cisco Connection Online (CCO).

Disaster Recovery System Administration Guide, Release 1.0(2)

This document provides an overview of the Disaster Recovery System and provides procedures for performing various backup- and restore-related tasks.

Installing Cisco Unified Presence Server, Release 1.0(2)

This document provides procedures for installing Cisco Unified Presence Server.

To obtain copies of this document, refer to the URL

http://www.cisco.com/univercd/cc/td/doc/product/voice/cups/1_0/index.htm

Cisco Unified Presence Server Administration Guide, Release 1.0(2)

This document provides step-by-step instructions for configuring, maintaining, and administering the Cisco Unified Presence Server.

http://www.cisco.com/univercd/cc/td/doc/product/voice/cups/1_0/index.htm

Cisco Unified Presence Server Serviceability Administration Guide, Release 1.0(2)

This document provides step-by-step instructions for configuring alarms, traces, and other reporting for Cisco Unified Presence Server serviceability and remote serviceability.

http://www.cisco.com/univercd/cc/td/doc/product/voice/cups/1_0/index.htm

Cisco Unified Communications Operating System Administration Guide, Release 1.0(1)

This document provides information about using the Cisco Unified Communications Operating System graphical user interface (GUI) and the command line interface (CLI) to perform many common system- and network-related tasks.

http://www.cisco.com/univercd/cc/td/doc/product/voice/cups/1_0/index.htm

Cisco Unified Presence Server Interoperability Guide, Release 1.0(1)

This document provides messaging information and call flow diagrams for using Cisco Unified Presence Server with other systems.

http://www.cisco.com/univercd/cc/td/doc/product/voice/cups/1_0/index.htm

Cisco IP Phone Messenger User Guide for Cisco Unified Presence Server, Release 1.0(1)

This document provides information about using the Cisco IP Phone Messenger.

http://www.cisco.com/univercd/cc/td/doc/product/voice/cups/1_0/index.htm

Cisco Unified Presence Server Deployment Guide, Release 1.0(2)

This document provides a configuration overview for integrating Cisco Unified Presence Server with Cisco Unified CallManager, Microsoft Live Communications Server, Microsoft Active Directory, and Microsoft Office Communicator.

http://www.cisco.com/univercd/cc/td/doc/product/voice/cups/1_0/index.htm

Release Notes for Cisco Unified Presence Server Release 1.0(2)

This document lists and describes the system requirements, new features, changed information, documentation updates, and open caveats for Cisco Unified Presence Server Release 1.0(2).

http://www.cisco.com/univercd/cc/td/doc/product/voice/cups/1_0/index.htm

Related Product Documentation

This section lists additional documentation that is available on the World Wide Web at www.cisco.com.

Note

For voice product documentation that is not specified in this section, refer to <http://www.cisco.com/univercd/cc/td/doc/product/ipcvoice.htm>.

Cisco Unified CallManager Compatibility Matrix

This document lists Cisco Unified CallManager releases and upgrade paths and provides detailed information about compatible releases and loads for devices, applications, application programming interfaces, features, and services.

http://www.cisco.com/univercd/cc/td/doc/product/voice/c_callmg/ccmcomp.htm

Cisco Unified CallManager Release 5.0 Documentation

The following location provides documentation for installing, configuring, and administering Cisco Unified CallManager, Release 5.0:

http://www.cisco.com/univercd/cc/td/doc/product/voice/c_callmg/5_0/index.htm

Cisco Unified CallManager Security Token Advisory

This document describes the purpose of the Cisco System Administrator Security Token.

http://www.cisco.com/univercd/cc/td/doc/product/voice/c_callmg/sec_vir/ae/etoken/sec_tkn.htm

Cisco Unified Communications SRND Based on Cisco Unified Presence Server

This Solution Reference Network Design (SRND) document provides design considerations and guidelines for deploying Cisco Unified Presence Server and Cisco Unified Personal Communicator.
