

Configuring the System Login Banner

Use this procedure to change the text on the login banner that users see when they log in to the CLI.

Procedure

- Step 1** Log in to the [Cisco UMG GUI](#). See the [Logging In to the Cisco UMG Graphical User Interface \(GUI\)](#) module.
 - Step 2** Choose **System > Login Banner**.
The system displays the Login Banner page.
 - Step 3** Enter the text for the login banner.
 - Step 4** Click **Apply** to save your settings.
