

End-of-Sale and End-of-Life Announcement for the Cisco IOS Land Mobile Radio (LMR) Licenses on ISR Routers

EOL9326

Cisco announces the end-of-sale and end-of-life dates for the Cisco IOS Land Mobile Radio (LMR) Licenses on ISR Routers. The last day to order the affected product(s) is January 30, 2014. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers' service contract.

Table 1. End-of-Life Milestones and Dates for the Cisco IOS Land Mobile Radio (LMR) Licenses on ISR Routers

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	August 1, 2013
End-of-Sale Date	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	January 30, 2014
Last Ship Date: OS SW	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	April 30, 2014
End of SW Maintenance Releases Date: OS SW	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	January 30, 2015
End of New Service Attachment Date: OS SW	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	January 30, 2015
End of Service Contract Renewal Date: OS SW	The last date to extend or renew a service contract for the product.	April 27, 2018
Last Date of Support:	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete.	January 31, 2019

HW = Hardware OS SW = Operating System Software App. SW = Application Software

Product Migration Options

The Cisco IOS Land Mobile Radio (LMR) on ISR routers is now part of the core Cisco Unified Communications Technology Package (UCTP). Purchasing individual licenses for Cisco IOS Land Mobile Radio (LMR) is no longer required.

This change is effective with IOS 15.3.3M (PI22) release of July 2013.

The migration product identification numbers for the UC Technology Package are -

L-SL-29-UC-K9=, SL-29-UC-K9, SL-29-UC-K9=, L-SL-39-UC-K9=, SL-39-UC-K9, SL-39-UC-K9=.

Any Cisco ISR-G2 2900 or 3900 Series router voice bundle already contains one of the products above and is thus entitled to run and use the Land Mobile Radio (LMR) functionality.

Customers may be able to use the Cisco Technology Migration Program (TMP) where applicable to trade-in eligible products and receive credit toward the purchase of new Cisco equipment. For more information about Cisco TMP, customers should work with their Cisco Partner or Cisco account team. Cisco Partners can find additional TMP information on Partner Central at

http://www.cisco.com/web/partners/incentives_and_promotions/tmp.html.

Customers may be able to continue to purchase the Cisco IOS Land Mobile Radio (LMR) Licenses on ISR Routers through the Cisco Certified Refurbished Equipment program. Refurbished units may be available in limited supply for sale in certain countries on a first-come, first-served basis until the Last Date of Support has been reached. For information about the Cisco Certified Refurbished Equipment program, go to:

<http://www.cisco.com/go/eos>.

Service prices for Cisco products are subject to change after the product End-of-Sale date.

The Cisco Takeback and Recycle program helps businesses dispose properly of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to:

http://www.cisco.com/web/about/ac227/ac228/ac231/about_cisco_takeback_recycling.html.
