

End-of-Sale and End-of-Life Announcement for the Cisco IOS XE Software Release 2.5

EOL6937 - Amended

Cisco announces the end-of-sale and end-of life dates for the Cisco IOS XE Software Release 2.5. The last day to order the affected product(s) is August 25, 2010. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available until the termination date of the contract, even if this date exceeds the Last Date of Support shown in Table 1.

Cisco announces the end-of-sale and end-of life dates for the Cisco IOS XE Software Release 2.5. The last day to order the affected product(s) is August 24, 2010. This End-of-Sale announcement covers all maintenance releases of IOS XE 2.5 (including 2.5.0, 2.5.1, 2.5.2 and possible later versions). Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available until the termination date of the contract, even if this date exceeds the Last Date of Support shown in Table 1.

Table 1. End-of-Life Milestones and Dates for the Cisco IOS XE Software Release 2.5

| Milestone | Definition | Date |
|---|---|-------------------|
| End-of-Life Announcement Date | The date the document that announces the end of sale and end of life of a product is distributed to the general public. | November 25, 2009 |
| End-of-Sale Date | The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date. | August 25, 2010 |
| End of SW Maintenance Releases Date: OS SW | The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software. | November 25, 2010 |
| Last Date of Support: | The last date to receive service and support for the product. After this date, all support services for the product are unavailable, and the product becomes obsolete. | August 31, 2015 |

HW = Hardware OS SW = Operating System Software App. SW = Application Software

Product Migration Options There is no replacement available for the Cisco IOS XE Software Release 2.5 at this time. Customers are encouraged to migrate to Cisco IOS XE Software Release 2.6 or later when available. Cisco IOS XE Software Release 2.6 will support all the features in Cisco IOS XE Software Release 2.5 as well as additional features. Cisco IOS XE Software Release 2.6 will be made available within the first half of calendar year 2010 before the End-of-Sale of Cisco IOS XE Software Release 2.5. Cisco IOS XE Software provides enhanced in-service software upgrade (ISSU) and high-availability (HA) features. These features allow network operators to upgrade Cisco ASR 1000 Series Routers without incurring any significant service interruption. Information about the replacement product can be found at: <http://www.cisco.com/en/US/products/ps9343/index.html>. Service prices for Cisco products are subject to change after the product End of Sale date. For More Information For more information about the Cisco IOS XE Software Release 2.5, visit <http://www.cisco.com/en/US/products/ps9343/index.html>, or contact your local account representative.
