

# Model 8650-EO Remote Control Unit

20078

## FEATURES

- Remote operates all functions of the Model 8600 Home Terminal, including volume control, complete channel control, IPPV buying, sleep timer, and all on-screen menu functions
- Ergonomic design uses multi-color, shaped keys to speed operation
- Raised arrow on channel up/down and volume up/down keys speed operation of the most frequently used keys
- Raised single dot on "5" key identifies center of numeric keypad
- Raised double dot on "POWER" key positively identifies on/off function
- Three on-screen menu keys simplify remote by serving multiple functions, depending on which menu the subscriber selects
- Subscriber quickly can remember what channel they are watching and the current time with one press of the "DISPLAY" key

# Model 8650-E0 Remote Control Unit

## KEY FEATURES

**Buy** — Initiates an IPPV purchase

**Sleep** — Sets sleep timer function on home terminal

**Power** — Turns home terminal on/off

**0 through 9** — Allows direct entry of channel number

**Menu** — Enters/exits on-screen menu system

**➡** — Moves on-screen arrow to point to next option in menu

**Mute** — Mutes the home terminal volume

**Vol ▲ and Vol ▼** — Increments and decrements the home terminal volume level

**Favorite** — Tunes the next channel in the subscriber's favorite channel list

**Last** — Tunes the last channel that the home terminal was previously tuned to. Repeated pressing of the LAST key toggles the home terminal between two channels
