End-of-Sale and End-of-Life Announcement for the Cisco ROSA Element Manager Single Power Supply AC Version

EOL8517 - Amended

Cisco announces the end-of-sale and end-of-life dates for the Cisco ROSA Element Manager Single Power Supply AC Version. The last day to order the affected product(s) is January 31, 2013. Customers with active service contracts or active warranties will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active service contracts or active product warranties, support will be available for the shown dates as stated in the applicable service contracts or product warranty terms and conditions, even if this date exceeds the Last Date of Support shown in Table 1.

Table 1.   End-of-Life Milestones and Dates for the Cisco ROSA Element Manager Single Power Supply AC Version

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to the general public.	August 2, 2012
End-of-Sale Date	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	January 31, 2013
Last Ship Date: HW	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	May 1, 2013
End of Routine Failure Analysis Date: HW	The last-possible date a routine failure analysis may be performed to determine the cause of hardware product failure or defect.	January 31, 2014
End of New Service Attachment Date: HW	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	January 31, 2014
End of Service Contract Renewal Date: HW	The last date to extend or renew a service contract for the product.	April 28, 2017
Last Date of Support: HW	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete[**]. Warranty duration is based on product ship dates; refer to warranty terms and conditions for details.	January 31, 2018

HW = Hardware   OS SW = Operating System Software   App. SW = Application Software

Product Migration Options

Customers are encouraged to migrate to the ROSA Element Manager Dual Power Supply. Information about this product can be found at: http://www.cisco.com/en/US/products/ps10152/index.html.

Contact your salesperson for the correct licensing and software options.

This end-of-life announcement refers only to the single power supply version of the ROSA Element Manager. The ROSA Element Manager itself is still available.

Customers may be able to use the Cisco Technology Migration Program (TMP) where applicable to trade-in eligible products and receive credit toward the purchase of new Cisco equipment. For more information about Cisco TMP, customers should work with their Cisco Partner or Cisco account team. Cisco Partners can find additional TMP information on Partner Central at http://www.cisco.com/web/partners/incentives_and_promotions/tmp.html.

Customers may be able to continue to purchase the Cisco ROSA Element Manager Single Power Supply AC Version through the Cisco Certified Refurbished Equipment program. Refurbished units may be available in limited supply for sale in certain countries on a first-come, first-served basis until the Last Date of Support has been reached. For information about the Cisco Certified Refurbished Equipment program, go to: http://www.cisco.com/go/eos.

Service prices for Cisco products are subject to change after the product End-of-Sale date.

The Cisco Takeback and Recycle program helps businesses dispose properly of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to: http://www.cisco.com/web/about/ac227/ac228/ac231/about_cisco_takeback_recycling.html.
