

Change in Product Part Number Announcement for the Cisco Show and Share 5.3 on C210/C200 M2 Hardware

EOL8753

Cisco announces a change in product part numbers for the Cisco Show and Share 5.3 on C210/C200 M2 Hardware. This is a product part number change only announcement. Customers will experience no change in functionality when using the new product part numbers. The new product part numbers are designed to simplify the customer ordering process. The last day to order the affected product using the current product part numbers is December 3, 2012. Customers will continue to receive support from the Cisco Technical Assistance Center (TAC) until otherwise specified in the end-of-life announcement for the new product part numbers. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product. Table 2 lists the product part numbers affected by this announcement.

This is a product part number change due to the end-of-sale and end-of life announcement of the Cisco C200/C210 M2 hardware. New customers will automatically use the latest software and license product identification numbers when ordering the Cisco MXA UCS C220 M3 Rack Server for Cisco Show and Share Deployments or Cisco Video Content bundles.
