

Cisco Hosted Collaboration Solutions (HCS) Unified Communications Software Subscription Price Change Bulletin

October 2012, General Announcement

Cisco Announces Unified Communications Software subscription (UCSS) Price Changes on select Cisco® HCS Software Application Bundles.

Cisco periodically reviews the pricing on its complete line of subscriptions. As a result, some subscription prices are being adjusted; Customers and partners are encouraged to refer to the ordering tools, which have been updated to account for these changes.

Price Change for UCSS on Select HCS Software Application Bundles

Effective Dates

All price changes in this announcement for the select Unified Communications Software Subscription (UCSS) licenses will be effective starting Dec 1st, 2012.

Reason for Change

Cisco is implementing a price increase for Unified Communications Software Subscription (UCSS) for Cisco HCS Foundation Application Bundle.

The prices are being changed to account for inclusion of Jabber® Mobile and Jabber Desktop clients with the HCS Application Bundles. Please note that the license cost remains the same and the price change affects only the ongoing subscription offer (UCSS) for these products.
