End-of-Sale and End-of-Life Announcement for the Cisco Email, Web, and Security Management x70 Accessories

EOL9597

Cisco announces the end-of-sale and end-of life dates for the Cisco Email, Web, and Security Management x70 Accessories. The last day to order the affected product(s) is July 26, 2014. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available under the terms and conditions of customers' service contract.

Table 1.   End-of-Life Milestones and Dates for the Cisco Email, Web, and Security Management x70 Accessories

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end of sale and end of life of a product is distributed to the general public.	January 26, 2014
End-of-Sale Date	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	July 26, 2014
Last Ship Date: HW	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	October 25, 2014
End of New Service Attachment Date: HW	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	July 27, 2015
End of Service Contract Renewal Date: HW	The last date to extend or renew a service contract for the product.	October 22, 2018
Last Date of Support: HW	The last date to receive applicable service and support for the product as entitled by active service contracts or by warranty terms and conditions. After this date, all support services for the product are unavailable, and the product becomes obsolete.	July 31, 2019

HW = Hardware   OS SW = Operating System Software   App. SW = Application Software

Product Migration Options

For customers migrating from Cisco Email, Web, and Security Management x70 appliances, this announcement covers the corresponding accessories.

Customers are encouraged to migrate to the Cisco Email, Web, and Security Management x80 appliances and this document covers the corresponding accessories on the new Cisco Email, Web, and Security Management x80 appliances.

The Cisco 170 Series appliances and associated accessories are not affected by this announcement.

Customers may be able to use the Cisco Technology Migration Program (TMP) where applicable to trade-in eligible products and receive credit toward the purchase of new Cisco equipment. For more information about Cisco TMP, customers should work with their Cisco Partner or Cisco account team. Cisco Partners can find additional TMP information on Partner Central at
http://www.cisco.com/web/partners/incentives_and_promotions/tmp.html

Customers may be able to continue to purchase Cisco Email, Web, and Security Management x70 Accessories through the Cisco Certified Refurbished Equipment program. Refurbished units may be available in limited supply for sale in certain countries on a first-come, first-served basis until the Last Date of Support has been reached. For information about the Cisco Certified Refurbished Equipment program, go to: http://www.cisco.com/go/eos

Service prices for Cisco products are subject to change after the product End of Sale date

The Cisco Takeback and Recycle program helps businesses dispose properly of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to:
http://www.cisco.com/web/about/ac227/ac228/ac231/about_cisco_takeback_recycling.html
