

## End-of-Sale and End-of-Life Announcement for the Cisco Security Manager 3.2

Amended EOL7194

Cisco announces the end-of-sale and end-of life dates for the Cisco Security Manager 3.2. The last day to order the affected product(s) is May 17, 2011. Customers with active service contracts will continue to receive support from the Cisco Technical Assistance Center (TAC) as shown in Table 1 of the EoL bulletin. Table 1 describes the end-of-life milestones, definitions, and dates for the affected product(s). Table 2 lists the product part numbers affected by this announcement. For customers with active and paid service and support contracts, support will be available until the termination date of the contract, even if this date exceeds the Last Date of Support shown in Table 1.

**Table 1.** End-of-Life Milestones and Dates for the Cisco Security Manager 3.2

Milestone	Definition	Date
<b>End-of-Life Announcement Date</b>	The date the document that announces the end of sale and end of life of a product is distributed to the general public.	November 16, 2010
<b>End-of-Sale Date</b>	The last date to order the product through Cisco point-of-sale mechanisms. The product is no longer for sale after this date.	May 17, 2011
<b>Last Ship Date: App. SW</b>	The last-possible ship date that can be requested of Cisco and/or its contract manufacturers. Actual ship date is dependent on lead time.	August 15, 2011
<b>End of SW Maintenance Releases Date: App. SW</b>	The last date that Cisco Engineering may release any final software maintenance releases or bug fixes. After this date, Cisco Engineering will no longer develop, repair, maintain, or test the product software.	May 16, 2012
<b>End of New Service Attachment Date: App. SW</b>	For equipment and software that is not covered by a service-and-support contract, this is the last date to order a new service-and-support contract or add the equipment and/or software to an existing service-and-support contract.	May 16, 2012
<b>End of Service Contract Renewal Date: App. SW</b>	The last date to extend or renew a service contract for the product.	August 12, 2013
<b>Last Date of Support: App. SW</b>	The last date to receive service and support for the product. After this date, all support services for the product are unavailable, and the product becomes obsolete.	May 31, 2014

HW = Hardware OS SW = Operating System Software App. SW = Application Software

## Product Migration Options

Customers are encouraged to upgrade to Cisco Security Manager 4.0, as it offers a compelling set of security management features not found in Cisco Security Manager 3.x. Cisco Security Manager 4.0 simplifies enterprise-class multidevice deployments through a flexible and high-performance security policy and event-management solution, and it enables comprehensive firewall, IPS, and VPN control, visibility, and reporting. Information about this product can be found at: <http://www.cisco.com/en/US/products/ps6498/index.html>. Cisco Security Manager 3.2 customers with active SASU contracts can migrate to Cisco Security Manager 3.3 under the terms of the existing support contract.

Customers can use the Cisco Technology Migration Program (TMP) to trade-in products and receive credit toward the purchase of new Cisco equipment. For more information about Cisco TMP, customers should work with their Cisco Partner or Cisco account team. Cisco Partners can find additional TMP information on Partner Central at <http://www.cisco.com/web/partners/pr11/incentive/tmp/index.html>

Service prices for Cisco products are subject to change after the product End of Sale date.

The Cisco Takeback and Recycle program helps businesses dispose properly of surplus products that have reached their end of useful life. The program is open to all business users of Cisco equipment and its associated brands and subsidiaries. For more information, go to:
