

Cisco Aironet 1140 and 5500 Series Wireless Controller

Wireless Bundle Compliance Status

Last updated: October 15, 2009

This page lists the next-generation wireless products available through a limited-time promotional discount when purchasing a bundled package of Cisco® 5500 Series Wireless Controller, Cisco Aironet® 1140 Series Access Points, and Cisco Wireless Control System (WCS) demonstration license. Below are the specific countries these bundles are currently certified in for order and shipment. If there is not an "X" in the matrix box that corresponds to the country and bundle, then that bundle is not certified to ship to this country.

Please take note of the Country SKU Suffix in the column adjacent to your country. You will need this specific SKU Suffix to ensure you order the product with the proper power and channel settings required for each country. If you have any questions regarding this information, please contract your Cisco Account Manager or Cisco Reseller for more information.

Legend:

"X" = Product is approved

Table 1 provides guidelines for the SKU that is approved for regulatory compliance. Once you have selected the SKU for your country please verify that the SKU is valid at the following link:
