

The Learning Society

(All Graphics)

LEARNING
HAS ALWAYS BEEN
IMPORTANT.

WE'VE DONE WELL
THROUGH RECENT
GENERATIONS.

PRIMARY ENROLLMENT:
INCREASED
TO 85%
GLOBALLY.

LITERACY:
TRIPLED FROM
25% TO 75%
IN
DEVELOPING
COUNTRIES.

SECONDARY
ENROLLMENT:
UP FROM 50 MILLION
TO 500 MILLION.

BUT...

TODAY OUR
CHALLENGES
ARE GREATER THAN
EVER BEFORE.

WE NEED
NEW
SKILLS.

LEARNED IN
NEW,
ENGAGING
WAYS

FLEXIBLY
DELIVERED

CAN OUR
SYSTEMS
RESPOND?

LEARNING MUST
CONTINUE
THROUGHOUT
OUR LIVES.

WE
NEED
TO THINK
BEYOND
THE
SCHOOL.

WE
NEED
TO THINK
BEYOND
THE
UNIVERSITY.

WE
NEED
A
LEARNING
SOCIETY.

EVERY
SOCIETY
HAS

A
CONTRIBUTION
TO MAKE

A
RESPONSIBILITY
TO ENGAGE

AN
OPPORTUNITY
TO INSPIRE

EVERY
SOCIETY
CAN BECOME

A LEARNING SOCIETY.
