

ADVANCED SERVICES STATEMENT OF WORK

SOW TERMS & CONDITIONS AGREEMENT

If you purchase project-related or consultancy services directly from Cisco pursuant to an Advanced Services Statement of Work ("SOW"), and if you do not have an effective agreed upon Master Services Agreement, Advanced Services Agreement or other master services agreement covering SOW-based services with Cisco, then both Cisco and Customer hereby agree that any such SOW will be governed by the terms and conditions set forth in this SOW Terms & Conditions Agreement ("Agreement"), which is hereby incorporated into, and made a part of, the SOW by this reference. To the extent there is a conflict between the terms of the SOW and this Agreement, the terms of this Agreement shall control, unless explicitly stated otherwise in the SOW. The terms of the SOW, including this Agreement, are limited to the scope of such SOW, and shall not be applicable to any other SOWs which may be executed between the parties. Any capitalized terms not defined herein shall have the meaning ascribed to such terms in the SOW.

1. Definitions are those in Appendix A (Glossary of Terms) at the end of this Agreement.

2. Orders. Customer shall, upon and subject to approval by Cisco, purchase Services by issuing a Purchase Order. Each Purchase Order must be signed/sealed, as applicable, if requested by Cisco, or (in the case of electronic transmission) sent, by an authorized representative, indicating the SOW project identification number, specific Services, quantity, price, total purchase price, bill-to and ship-to addresses, tax exempt certifications, if applicable, reference to the SOW, and any other special instructions. No contingency contained on any Purchase Order shall be binding upon Cisco. The terms of the SOW shall apply, regardless of any additional or conflicting terms on any Purchase Order or other correspondence or documentation submitted by Customer to Cisco, and any such additional or conflicting terms are deemed rejected by Cisco.

3. Advanced Services – Statements of Work.

- a. The Services will be provided by Cisco pursuant to the terms and conditions of the SOW. Cisco may use subcontractors (under separate contract to Cisco) to perform the Services, or portion(s) thereof.
- b. The SOW may only be amended by a written document signed by each party's authorized representative, and per the change management procedures set forth therein.
- c. The SOW exclusively defines the scope of the Services that Cisco shall provide to Customer.

4. Pricing.

- a. All prices specified in the SOW are exclusive of any taxes, fees, duties or other applicable amounts. Customer shall pay the taxes related to Services purchased pursuant to the SOW, or Customer shall present an exemption certificate acceptable to the taxing authorities. Applicable

taxes, if any, will be billed as a separate item on the invoice. Cisco reserves the right to increase the Service fee in the event Customer determines any withholding tax obligation prevents Cisco from receiving the specified prices for such Services set forth in the SOW.

5. Payment and Invoicing.

- a. **Payment.** All Purchase Orders are subject to credit approval and, subject thereto, payment terms are net thirty (30) days from the date of invoice. Unless otherwise agreed by Cisco, all payments must be made in the currency used by the Cisco Systems entity with which Customer has placed its Purchase Order. Any sum not paid by Customer when due will bear interest from the due date until paid at a rate of: (i) ten (10) per cent per annum or (ii) the maximum rate permitted by law, whichever is less.
- b. **Invoicing.** Cisco will invoice Customer upon completion of each Milestone as defined in the SOW, per the SOW's Milestone schedule. Invoices may contain multiple Milestones. The SOW Milestone schedule supersedes any Milestones identified in a Purchase Order; nevertheless, unless otherwise mutually agreed upon via a change management procedure, the total invoiced amounts for SOW Milestones shall not exceed the total amount of Customer's Purchase Order. If the SOW does not contain a Milestone schedule, Cisco will invoice Services performed under such SOW as set forth in such SOW.

6. Term and Termination.

- a. The term of the SOW will commence on the SOW Effective Date and continue until last Milestone completion, unless otherwise specified in the SOW.

- b. Cisco shall have a lead-time of up to forty-five (45) days from acceptance of Purchase Order for scheduling of Services.
- c. The SOW, and any Services being performed hereunder, may be terminated immediately by either party upon written notice:
 - (i) if the other party breaches any of the material provisions of the SOW and the breach is not capable of being cured or after providing thirty (30) days written notice to the breaching party if the breaching party fails to cure such breach within such period;
 - (ii) if the other party: (w) ceases, or threatens to cease to carry on business as a going concern; or (x) becomes or may become the object of the institution of voluntary or involuntary proceedings in bankruptcy or liquidation, or (y) a receiver or similar officer is appointed with respect to the whole or a substantial part of its assets; or (z) an event similar to any of the foregoing occurs under applicable law; or
 - (iii) if, except as provided in Section 15 below, either party assigns (by operation of law or otherwise, including merger) or transfers any of the rights or responsibilities granted under the SOW, without the prior written consent of the other party, or in the event of a sale of all or substantially all of such party's assets, or transfer of a controlling interest in such party to an unaffiliated third party. Notwithstanding the foregoing: (y) Cisco reserves the right to subcontract Services to any Affiliate or third party organization to provide Services to Customer, and (z) Cisco may assign the SOW or all or any portion of its rights and obligations hereunder, to any Affiliate of Cisco.
- d. If Services fees are not paid when due and payment has not been received within thirty (30) days after notice from Cisco of such past due payment, Cisco may withhold the provision of Services until all amounts past due are paid in full, and/or immediately terminate the SOW or any Services provided hereunder.
- e. Upon termination of the SOW, Customer shall pay Cisco for all work Cisco has performed up to the effective date of termination at the agreed upon prices, fees and expense reimbursement rates.

7. Confidentiality.

- a. Customer and Cisco agree that in connection with the SOW and their relationship, they may obtain Confidential Information. The receiving party shall

at all times keep in trust and confidence all such Confidential Information, and shall not use such Confidential Information other than as expressly authorized by the disclosing party under the SOW, nor shall the receiving party disclose any such Confidential Information to third parties without the disclosing party's written consent. Notwithstanding the above, Cisco shall be authorized to disclose Customer's Confidential Information to subcontractors, contractors or employees of a Cisco entity who have a legitimate business need to have access to such information. The receiving party shall immediately return to the disclosing party all Confidential Information (including copies thereof) in the receiving party's possession, custody, or control upon termination or expiration at any time and for any reason of the SOW. The obligations of confidentiality do not apply to information which: (i) has entered the public domain, except where such entry is the result of the receiving party's breach of the SOW; (ii) prior to disclosure hereunder was already rightfully in the receiving party's possession; or (iii) subsequent to disclosure hereunder is obtained by the receiving party on a non-confidential basis from a third party who has the right to disclose such information to the receiving party. The receiving party will be authorized to disclose Confidential Information pursuant to a valid order issued by a court, government agency or relevant regulatory authority (including a stock exchange), provided that the receiving party provides where practicable: (i) prior written notice to the disclosing party of such obligation and (ii) the opportunity to oppose such disclosure.

- b. Neither party may disclose, advertise, or publish the terms and conditions of the SOW without the prior written consent of the other party. Any press release or publication regarding the SOW is subject to prior review and written approval of the parties.

8. Warranty.

- a. ALL SERVICES PROVIDED HEREUNDER SHALL BE PERFORMED IN A WORKMANLIKE MANNER. EXCEPT AS SPECIFIED IN THIS SECTION, CISCO HEREBY DISCLAIMS AND CUSTOMER WAIVES ALL REPRESENTATIONS, CONDITIONS AND WARRANTIES (WHETHER EXPRESS, IMPLIED, OR STATUTORY), INCLUDING WITHOUT LIMITATION, ANY WARRANTY OR CONDITION: (I) OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT, TITLE, SATISFACTORY QUALITY, QUIET ENJOYMENT OR ACCURACY, OR (II) ARISING FROM ANY COURSE OF

DEALING, COURSE OF PERFORMANCE, OR USAGE IN THE INDUSTRY.

- b. TO THE EXTENT AN IMPLIED WARRANTY CANNOT BE DISCLAIMED, SUCH WARRANTY IS LIMITED IN DURATION TO THE APPLICABLE EXPRESS WARRANTY PERIOD. CUSTOMER'S SOLE AND EXCLUSIVE REMEDY FOR BREACH OF WARRANTY SHALL BE, AT CISCO'S OPTION, RE-PERFORMANCE OF THE SERVICES; OR TERMINATION OF THE SOW AND RETURN OF THE PORTION OF THE SERVICE FEES PAID TO CISCO BY CUSTOMER FOR SUCH NON-CONFORMING SERVICES.

- d. TO THE EXTENT ALLOWED UNDER LOCAL LAW, CISCO AND CUSTOMER AGREE THAT THE FOREGOING SECTIONS 8 AND 9 FAIRLY ALLOCATE THE RISKS IN THIS AGREEMENT BETWEEN THE PARTIES. CISCO AND CUSTOMER FURTHER AGREE THAT THIS ALLOCATION IS AN ESSENTIAL ELEMENT OF THE BASIS OF THE BARGAIN BETWEEN THE PARTIES AND THAT THE LIMITATIONS SPECIFIED IN THIS SECTION SHALL APPLY NOTWITHSTANDING ANY FAILURE OF THE ESSENTIAL PURPOSE OF THE SOW OR ANY LIMITED REMEDY HEREUNDER.

10. License.

- a. Cisco grants to Customer a non-exclusive and non-transferable license to use for Customer's internal business use only: (i) Software provided as a result of the Services, if any, solely in object code form; (ii) other Deliverables specified in the SOW, if any, and (iii) Data Collection Tools, if any (collectively and individually, the "Licensed Materials"). In addition, Cisco grants to Customer a right to modify and create derivative works of any Scripts provided by Cisco to Customer pursuant to this Agreement, solely for Customer's internal business use. These license grants do not include the right to sublicense. Customer may permit its suppliers, subcontractors and other related third parties to use the Licensed Materials solely on Customer's behalf for Customer's direct benefit, provided that any such use is subject to license restrictions and confidentiality obligations at least as protective of Cisco's rights in such Licensed Materials as are specified in this Agreement.
- b. Nothing in this Agreement or the SOW alters or affects the Intellectual Property rights and/or licenses provided with any Cisco Products. The terms and conditions provided with the Software, or in the absence of such terms, the license posted at <http://www.cisco.com/go/warranty> ("End User License Agreement"), are hereby incorporated into this Agreement by this reference. To the extent there is a conflict between the terms of the End User License Agreement and this Agreement, the terms of the End User License Agreement will apply, unless explicitly stated otherwise in this Agreement. The provisions in this Section apply only to those Services, Deliverables and other Intellectual Property provided by Cisco to Customer pursuant to the SOW.
- c. Except as otherwise provided herein, Customer will use Software solely on Cisco Hardware. Customer may also use Application Software on third party hardware and as expressly authorized

9. Limitation of Liability and Consequential Damages Waiver.

- a. TO THE EXTENT REQUIRED UNDER LOCAL LAW, NOTHING IN THIS AGREEMENT SHALL LIMIT: (I) CISCO'S, ITS AFFILIATES', OFFICERS', DIRECTORS', EMPLOYEES', AGENTS' AND SUPPLIERS' COLLECTIVE LIABILITY TO CUSTOMER FOR BODILY INJURY OR DEATH CAUSED BY THEIR NEGLIGENCE, OR (II) CISCO'S LIABILITY FOR FRAUDULENT MISREPRESENTATION OR IN THE TORT OF DECEIT.
- b. ALL LIABILITY OF CISCO, ITS AFFILIATES, OFFICERS, DIRECTORS, EMPLOYEES, AGENTS AND SUPPLIERS COLLECTIVELY FOR CLAIMS ARISING UNDER THE SOW OR OTHERWISE HOWSOEVER ARISING SHALL BE LIMITED TO THE MONEY PAID TO CISCO UNDER THE SOW DURING THE TWELVE (12) MONTH PERIOD PRECEDING THE EVENT OR CIRCUMSTANCES FIRST GIVING RISE TO SUCH LIABILITY. THIS LIMITATION OF LIABILITY IS CUMULATIVE AND NOT PER-INCIDENT (I.E., THE EXISTENCE OF TWO OR MORE CLAIMS WILL NOT ENLARGE THIS LIMIT).
- c. SUBJECT TO THE EXCEPTIONS SET OUT IN SECTION 9(a), OR CUSTOMER'S BREACH OF SECTION 10, IN NO EVENT SHALL EITHER PARTY, ITS RESPECTIVE AFFILIATES, OFFICERS, DIRECTORS, EMPLOYEES, AGENTS OR SUPPLIERS BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT OR CONSEQUENTIAL DAMAGES, OR LOST REVENUE, LOST PROFITS, LOST BUSINESS OPPORTUNITY, OR LOST OR DAMAGED DATA, WHETHER ARISING IN CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, EVEN IF SUCH PARTY HAS BEEN INFORMED OF THE POSSIBILITY THEREOF.

in the Software Documentation. In the case of Data Collection Tools that include Hardware, Customer may only use the Software included with such Data Collection Tools solely on the Hardware provided with such Data Collection Tools. In the case of Data Collection Tools that consist of Software only, Customer may use such Data Collection Tools on Hardware or third party hardware, unless otherwise set forth in the SOW.

- d. The license rights granted in this Section are perpetual, provided Customer is not in breach of this Agreement or the SOW. Notwithstanding the above, the license for Data Collection Tools will terminate upon the earlier of: (i) the expiration or termination of the Services pursuant to which the Data Collection Tools were provided; or (ii) Cisco's request to Customer that the Data Collection Tool(s) be returned to Cisco.
- e. Except as otherwise expressly set forth in this Agreement or the SOW, Customer shall not (and shall not permit a third party to): (i) download more than one copy of the Software; (ii) copy, in whole or in part, any Software, Deliverable or Data Collection Tool; (iii) make error corrections or derivative works of, or otherwise modify, decompile, decrypt, reverse engineer, disassemble or reduce all or any portion of any Software, Deliverable or Data Collection Tool to human-readable form; or (iv) transfer, sublicense, rent, lease, distribute, or sell any Software, Deliverables or Data Collection Tools. Customer acknowledges that it does not receive any implied licenses under this Agreement, and all rights not expressly granted herein are reserved to Cisco.
- f. When Customer updates or upgrades a copy of Software to a new release, Customer shall not thereafter use concurrently, except for a limited period of parallel testing, that new release and any previous release of the Software. Customer shall not re-use, host or have hosted for later re-use, or transfer any previous release of the Software to any other device(s).
- g. Customer grants to Cisco a perpetual, irrevocable, royalty free, worldwide right and license to all Intellectual Property in the Customer Feedback (as defined below) to use and incorporate into any or all Services, Products, Deliverables, Data Collection Tools, Reports, Scripts and Cisco Pre-Existing Technology, and to use, make, have made, offer to sell, sell, copy, distribute, and create derivative works of such Intellectual Property for any and all purposes whatsoever, and Customer acknowledges that it will have no rights in or to any Services, Products, Deliverables, Data Collection Tools, Reports, Scripts or Cisco Pre-Existing Technology as a result of Cisco's use of

any such Intellectual Property. For purposes of this Agreement, "Customer Feedback" means all oral or written communications regarding improvements or changes to any Services, Products, Deliverables, Data Collection Tools, Reports, Scripts or Cisco Pre-Existing Technology that Customer provides to Cisco.

11. Ownership.

- a. Each party will retain the exclusive ownership of all of its pre-existing Intellectual Property, Confidential Information and materials, including, without limitation, proprietary ideas, sketches, diagrams, text, know-how, concepts, proofs of concepts, artwork, software, algorithms, methods, processes, identifier codes or other technology that are owned by a party prior to commencement of any Services hereunder, or that are otherwise developed by or for such party outside the scope of this Agreement ("Pre-Existing Technology").
- b. Except as otherwise expressly set forth in this Agreement or the SOW, Cisco owns and will continue to own all right, title, and interest in and to the Services, Products, Deliverables, Data Collection Tools, Reports, Scripts, sketches, diagrams, text, know-how, concepts, proofs of concepts, artwork, software, algorithms, methods, processes, identifier codes or other technology provided or developed by Cisco (or a third party acting on Cisco's behalf) pursuant to this Agreement, including modifications, enhancements, improvements or derivative works of any of the foregoing, regardless of who first conceives or reduces to practice, and all Intellectual Property in any of the foregoing (collectively "Cisco Intellectual Property").
- c. As between Customer and Cisco, Customer at all times retains all right, title and interest in and to all of Customer's Pre-Existing Technology and all Intellectual Property that is developed by Customer or by a third party on Customer's behalf thereafter, other than Cisco Intellectual Property. Third Party Products will at all times be owned by the applicable third party, and will be subject to any applicable third party license terms.

12. **Force Majeure.** Except for the obligation to pay monies due and owing, neither party shall be liable for any delay or failure in performance due to events outside the defaulting party's reasonable control, including without limitation acts of God, earthquake, labor disputes, industry wide shortages of supplies, actions of governmental entities, riots, war, terrorism, fire, epidemics, or delays of common carriers or other circumstances beyond its reasonable control. The obligations and rights of the defaulting party shall be

extended for a period equal to the period during which such event prevented such party's performance.

13. Applicable Law and Jurisdiction.

a. The validity, interpretation, and performance of the SOW shall be controlled by and construed under the laws of:

- (i) the State of California, United States of America, as if performed wholly within the state and without giving effect to the principles of conflicts of law, and the State and Federal courts of California shall have exclusive jurisdiction over any claim arising under this Agreement, if the SOW is with Cisco Systems, Inc.;
- (ii) the Province of Ontario and the federal laws of Canada applicable therein, as if performed wholly within the province and without giving effect to the principles of conflicts of law, and the courts of the Province of Ontario shall have exclusive jurisdiction over any claim arising under this Agreement, if the SOW is with Cisco Systems Canada Co.;

All disputes arising out of or in connection with this Agreement, including any questions regarding its existence, validity or termination, shall be referred to and finally resolved by arbitration under the Rules of the London Court of International Arbitration (LCIA), which Rules are deemed to be incorporated by reference into this Section. The place of arbitration shall be London, England, the number of arbitrators shall be three and the language to be used in the arbitral proceedings shall be English; or

If the parties fail to agree on the choice of sole arbitrator within twenty (20) days from the date on which the respondent receives the notice of arbitration, the HKIAC shall make the appointment. The arbitrator will be bound by the provisions of this Agreement and shall be made aware of the terms hereof prior to his appointment. The arbitrator shall have no power or authority to make or issue any award that provides for punitive or exemplary damages. The arbitration proceedings shall

be conducted in English and in accordance with the HKIAC Procedures for the Administration of International Arbitration in force as of the Effective Date. However, if any rules are in conflict with the provisions of this Section, including the provisions concerning the appointment of a sole arbitrator, the provisions of this Section shall prevail. Upon rendering a decision, the arbitrator shall state in writing the basis for the decision. The arbitrator's decision shall be final and binding upon the parties. Application may be made by a party to a court of competent jurisdiction for the recognition and enforcement of an arbitral award rendered by the sole arbitrator pursuant to this Section. The costs of arbitration and attorneys' fees and disbursements shall be borne by the losing party, unless otherwise determined by the arbitration award. Except for the matters under dispute, the parties shall each continue to fulfill their respective obligations (and shall be entitled to exercise their rights) under this Agreement.

- b. Notwithstanding the foregoing, either party shall at all times have the right to commence proceedings in any other court of its choice for interim injunctive relief in the event of threatened or actual breach of Intellectual Property rights or provisions regarding protection and non-disclosure of Confidential Information.
- c. The parties specifically disclaim the application of the UN Convention on Contracts for the International Sale of Goods to the interpretation or enforcement of this Agreement.

14. Export Control. Customer shall comply with such laws and regulations governing use, export, re-export, and transfer of Products and technology and will obtain all required U.S. and local authorizations, permits, or licenses. Information regarding compliance with U.S. use, export, re-export, and transfer laws may be found at: http://www.cisco.com/www/export/compliance_provision.html.

15. Assignment. Except as provided below, neither party may assign or delegate its rights or obligations under the SOW (other than: (i) the right to receive any amount due, which shall be freely assignable, or (ii) to Customer's parent or majority-owned subsidiary company of sufficient net worth to meet any potential liability under the SOW) without the prior written consent of the other, such consent not to be unreasonably withheld or delayed, provided that any such assignment shall not relieve the assigning entity of any obligation to pay monies that were owed prior to the date of the assignment. Notwithstanding the foregoing: (a) Cisco reserves the right to subcontract

Services to any Affiliate or third party organization to provide Services to Customer, and (b) Cisco may assign the SOW or all or any portion of its rights and obligations hereunder, to any Affiliate of Cisco.

18. Entire Agreement. The SOW, including this Agreement, is the complete agreement between the parties concerning the subject matter of the SOW and replaces any prior oral or written communications between the parties, except as agreed between the parties. There are no conditions, understandings, agreements, representations, or warranties expressed or implied, that are not specified herein. The SOW may only be modified by a written document executed by the parties hereto.

19. No Waiver. The waiver by either party of any right provided under the SOW shall not constitute a subsequent or continuing waiver of such right or of any other right under the SOW.

20. Severability. In the event that one or more terms of the SOW becomes or is declared to be illegal or otherwise unenforceable by any court of competent jurisdiction, each such term shall be null and void and shall be deemed deleted from the SOW. All remaining terms of the SOW shall remain in full force and effect. Notwithstanding the foregoing, if this paragraph is invoked and, as a result, the value of the SOW is materially impaired for either party, as determined by such party in its sole discretion, then the affected party may terminate the SOW by written notice with immediate effect to the other.

21. Attorneys' Fees. To the extent allowed under local law, in any suit or proceeding relating to the SOW, the prevailing party will have the right to recover from the other its costs and reasonable fees and expenses of attorneys, accountants, and other professionals incurred in connection with the suit or proceeding, including costs, fees and expenses upon appeal, separately from and in addition to any other amount included in such judgment. This provision is intended to be severable from the other provisions of the SOW, and shall survive expiration or termination and shall not be merged into any such judgment.

22. Third Party Rights. If the SOW is with Cisco Systems International B.V. or Cisco Systems Services B.V. or Cisco International Limited, or Cisco Systems (Italy) S.r.l or Cisco International Limited Sp. z o.o.
