Cisco Systems, Inc.
170 West Tasman Drive
San Jose, CA 95134
USA

To Whom It May Concern:

SAIC completed its conformance review of the Cisco Systems, Inc.'s **Cisco Identity Services Engine (ISE) 1.2** (the "Product") on July 22, 2013; has found that the Product faithfully integrates the following FIPS 140-2 approved cryptographic modules:

1. Cisco Common Cryptographic Module (C3M) (FIPS 140-2 Cert. #1643)
2. Network Security Services (NSS) Cryptographic Module (FIPS 140-2 Cert. #815)

Specifically, SAIC's review confirmed that:

1. Each of the integrated cryptographic modules (mentioned above) are initialized in a manner that is compliant with their individual security policies.
2. All cryptographic algorithms used for 802.1x, including EAP-TLS, EAP-FAST, RADIUS Key Wrap, iPEP with RADIUS Key Wrap and LDAP over SSL, are offloaded to Cisco Common Cryptographic Module (C3M) with FIPS 140-2 Cert. #1643.
3. All cryptographic algorithms used for HTTPS and iPEP HTTPS make use of Network Security Services (NSS) Cryptographic Module with FIPS 140-2 Cert. #815.
4. Bulk data encryption (via SSHv2) for the established SSHv2 secure connection uses the Cisco Common Cryptographic Module (C3M) with FIPS 140-2 Cert. #1643.

Details of SAIC's review, which consisted of source code review and operational testing, are obtainable by special request.

Please note that for this review, SAIC only examined the Product features referenced above and while the Product may contain other features or functionality, SAIC did not examine these during its review and makes no claims or representations regarding them. Furthermore, the Cryptographic Module Validation Program (CMVP) has not independently reviewed SAIC's analysis, testing, or results.

The intention of this letter is to provide independent opinion that the Product correctly integrates and uses validated cryptographic modules within the scope of claims indicated above. SAIC offers no warranties or guarantees with respect to the above described compliance review. This letter does not imply an SAIC certification or product endorsement.
